

AsiaJCIS 2027

Call for Papers

The 22nd Asia Joint Conference on Information Security (AsiaJCIS 2027) Juntendo University, Japan TBD (dates to be announced)

Conference website: TBD

The 22nd Asia Joint Conference on Information Security (AsiaJCIS 2027) will be held at Juntendo University, Japan. This conference focuses on the technical and practical aspects of security applications and will serve as a forum to present new results from the academic research community and the industry. Original papers are solicited for submission to AsiaJCIS. In addition, several distinguished security experts will be invited to give technical talks.

Topics

Areas of interest include, but are not limited to:

- Cryptography: Post Quantum Cryptography, Quantum Cryptography, Applied Cryptography, Cryptanalysis and Side Channel Attack, Blockchain and Smart Contract Security
- Network Security: Cloud Computing Security, NGN Security, Home Computing and Smart Home Security, Mobile Security, Ad-Hoc and Wireless Sensor Network Security, VANET Security, Wireless PAN/LAN/MAN/WAN Security, Peer-to-peer Computing Security, FW/IDS/IPS, DoS/DDoS Attack Countermeasures, Leak Detection, 5G/6G Mobile Communication, Zero Trust
- System Security: Computer/Application Security, Virtual Machine Security, Database Security, Secure eHealth/eCommerce, Smart Contract, Ubiquitous Computing Security, Internet of Things (IoT)
- Application Security: Email Security, Web Services Security, SNS Security, Mobile Security, IPTV Security, Software Supply Chain Security, AI Security and Privacy
- Information Security: Management Human Resource Security, Big Data, Trusted Computing, Data breach, Intrusion detection, Phishing, Privacy Breach, Privacy-Enhancing Technology
- Others: Smart Grid Security, Malware Countermeasures, Content Management, Biometrics, Usable Security and Privacy, Outsourcing Management, Fake News

Important Dates

- Paper Submission Deadline: TBD
- Acceptance Notification: TBD
- Camera-ready Due: TBD
- Conference Date: TBD

All dates are to be announced. (Tentatively held in August; the exact dates will be fixed at the AsiaJCIS 2026 organizing committee meeting.)

Submission Webpage

TBD (EasyChair)

Instructions for Authors

Authors are invited to submit original papers. The papers must not substantially duplicate work that any authors have published elsewhere or have submitted in parallel to any other conferences with proceedings.

This conference adopts a double-blind peer review. The submitted manuscripts must be anonymous, with no author names, affiliations, acknowledgements, or obvious references.

Authors of accepted papers **MUST** give an oral presentation at the conference. Papers of authors who will not attend the conference will be deleted from the conference proceedings and announced as no-show papers on the conference site.

This year, we will have regular papers and short papers. Once accepted, the program committee will decide whether the paper will be presented as a regular or short paper.

The paper submission should conform to the following guidelines:

- The submission must be written in English and submitted in PDF format.
- The page limit, template, and formatting details will be announced together with the submission website. Authors should follow the official conference template once it is available.
- Submissions ignoring these guidelines may be rejected without further consideration.

Committees

General co-chairs: - Yong Ding, Guangdong University of Science and Technology, China - Heung Youl Youm, Soonchunhyang University, Korea - Hung-Min Sun, National Tsing Hua University, Taiwan - Koji Nakao, National Institute of Information and Communications Technology, Japan

Program co-chairs: - Changsong Yang, Guilin University of Electronic Technology, China - Hyunwoo Choi, Sungshin Women's University, Korea - Ming-Hung Wang, National Chung Cheng University, Taiwan - Akira Yamada, University of Hyogo, Japan

Publication co-chairs: - Yujue Wang, Hangzhou Innovation Institute, Beihang University, China - Huy Kang Kim, Korea University, Korea - Tung-Tso Tsai, National Taiwan Ocean University, Taiwan - Daisuke Makita, National Institute of Information and Communications Technology, Japan

Local organization chair: - Rui Tanabe, Juntendo University, Japan
